## **18. The World of Goods Towards an Anthropology of Consumption**

When an anthropologist and an economist combine to write a book about consumption it is not a sermon against materialism, nor a moan against consumerism. *The World of Goods*, in this new edition with a new introduction, bridges a gap between what economists say about the specialized topic called consumption behavior, and what anthropologists know about why people want things.

## **19. Doing Anthropology in Consumer Research by Patricia L**
